Acer campestre																											
Acer campestre 'Elsrijk'																											
Acer campestre 'Red Shine'																											
Acer platanoides																											
Acer platanoides 'Royal Red'																											
Aesculus carnea 'Briotii'																											
Aesculus hip. 'Baumannii'																											
Aesculus hippocastanum																											
Alnus glutinosa																											
Amelanchier lamarckii																											
Betula pendula																											
Buxus sem. 'Rotundifolia'																											
Buxus sempervirens																											
Carpinus betulus																											
Carpinus betulus 'Fastigiata'																											
Carpinus betulus 'Frans Fontaine'																											
Carpinus betulus 'Pendula'																											
Carpinus betulus 'Purpurea'																											
Castanea sativa																											
Cornus alternifolia																											
Cragaegus monogyna																											
Crataegus lae. 'Paul's Scarlet'																											
Crataegus pedicellata																											
Euonymus j. 'Aureomarginatus'																											
Fagus syl. 'Atropunicea'																											
Fagus sylvatica																											
Fraxinus excelsior																											
Fraxinus ornus																											
Gleditsia triacanthos																											
Gleditsia triac. 'Shademaster'																											
Gleditsia triacanthos 'Skyline'																											
Ilex crenata																											
Juglans regia																											
Ligustrum ovalifolium																											
Ligustrum vulgare 'Atrovirens'																											
Liquidambar styraciflua																											
Liquidambar styr. 'Worplesdon'																											
Malus domestica																											
Malus domestica 'Prima'																											
Malus 'Eleyi'																											
Malus 'Evereste'
